

MY STYLE

A.

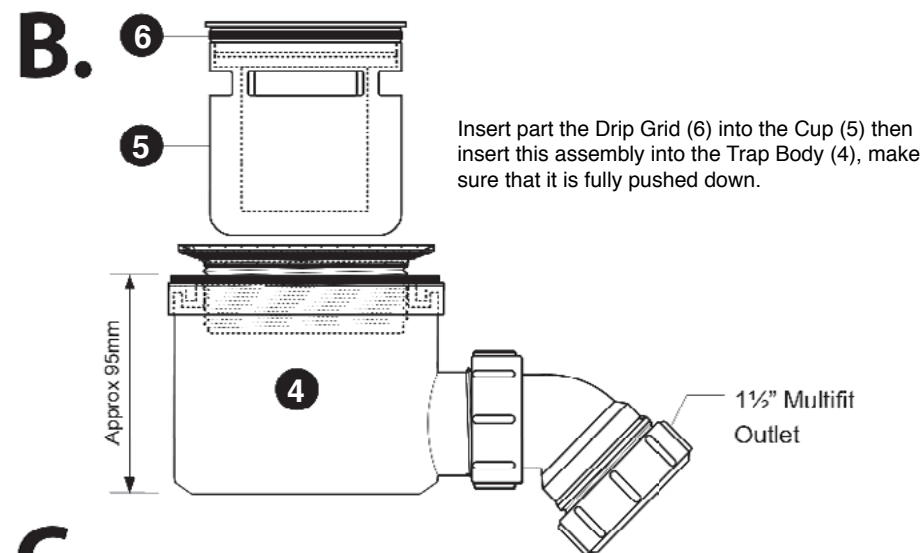

Diagram A illustrates the assembly of the front door lock. The components are labeled as follows:

- 1**: Lock cylinder
- 2**: Hook
- 3**: Lock body
- 4**: Hook
- 5**: Hook
- 6**: Lock cylinder
- 7**: Hook

The diagram shows the lock body (3) being inserted into the door (4). The hook (2) is shown separately. The hook (5) is shown separately. The hook (7) is shown separately. The dimensions are 90mm and 82mm.

The flow rate can be substantially reduced if a sufficient fall is not maintained throughout the length of the waste pipe.

C. COMPLETED ASSEMBLY

SHOWER TRAY

Approx 95mm

SHOWER TRAY

Aprox 95mm

AFTER-CARE
Regular cleaning is essential to maintain a high flow rate. Remove the Flange, Drip Guard and clean thoroughly.

AFTER-CARE

Regular cleaning is essential to maintain a high flow rate. Remove the Flange, Drip Grid, Cup and thoroughly clean all the parts.
